

Saturday Night Slang

What's up?

Whazzup!

What up?

An informal greeting or response to a request. Do not say "Whazzup" to your elders or employers. Use only with your closest friends.

As a greeting when meeting your friends you might say, "What's up!"

Example:

Mark: "Hi Steve"

Steve: "What's up"

As a response:

Mark: "Hey Steve, come here for a minute"

Steve: "What's up, what do you need?"

So everyone WHAT'S UP?
